

STATE WIDE MEDICAL CAMP

Conducted by

SEEK FOUNDATION-an NGO

in association with

CHANGUA CHRISTIAN MISSION HOSPITAL, TAIWAN

SEEK FOUNDATION, an NGO in association with Changua Christian Mission Hospital, Taiwan organized Free Medical Camp on 13th, 14th, and 15th of September at Southern Districts of Tamil Nadu. The villages of Kottakarai near Pondicherry, Puthuthrai in Karaikal and Thirunageri in Poompuhar near Nagapattinam were chosen for the medical camps since it is a remote place and there are minimal primary health centers nearby. The camp was a huge success and the doctors were able to identify few patients who needed further treatment for their general well being.

Kottakarai - 13th September 2017- 4.00 pm. The medical camp was conducted with the support of Melmaruvathur Adhiparasakthi Medical college Hospital and CSI Pondicherry Pastorate. The 4 doctors and 4 staff from Changua Christian Mission Hospital were given warm welcome by **Rev. Father Regan**, the parish Priest of St. Luke Church, **Mr. Jayasingh and Mr. Neil** who coordinated for the arrangements of the camp with the SEEK FOUNDATION. Total of **247** people, combination of men, women and children attended the camp and 3 of them were identified for further treatment. The Doctors from Melmaruthuvar

- Medical Superintendent - Dr. Soundarajan
- Nursing Superintendent - Mrs. Sylvia Solomon
- Senior President (Medicine) - Dr. Arun Prakash
- Pediatrician – Dr Mohan
- Gynecologist – Dr. Suriya Prabha
- Camp Coordinator – Selvam

Puthuthrai in Karaikal – 14th September 2017 at 4.00 pm. Medical camp was conducted in association with JJ Hospital, Karaikal. The 4 doctors and 4 staff from Changua Christian Mission Hospital were given warm welcome. Around **268** people, combination of men, women and children attended the camp and 2 of them were identified for further treatment.

Thirunageri, Poompuhar in Nagappatinam District - 15th September 2017 from 10.00 am to 2.30 pm. Medical camp was conducted with the support of JJ Hospital and Vinayaga Mission Hospital. Around **347** people, combination of men, women and children attended the camp and 2 of them were identified for further treatment.
